- **Tuition classes are not pay per month.** A payment plan is given as an option to split payments up (in either a 9 or 12 month plan) instead of paying for the entire tuition up front. The contract drop date is November 1, 2024 and must be submitted in writing. You can withdraw without penalty or without being bound to the end of season's contract. Every effort will be made to ensure the students wellness and happiness in their class(es). Please see contract for more detailed information.
- **Attendance and Weather closings do not alter monthly payments.**
- There are 2 "Snow Days/Weather Days" built into our dance season. You are NOT paying for those days as they are built into our tuition package. Every effort will be made to make up missed classes if there are more than 2 days we must close for each class, but this is not guaranteed.
